CONTACT

me@mariusavram.com
Berlin, Germany

I am a passionate Software Developer, focused on both, backend and frontend technologies. Looking for a chance to keep growing and improving my skill set, I am currently looking for a remote or flexible work environment.
I have a drive for clean, readable, testable, and well-documented code. I have a Product Engineering focused attitude.

SKILLS

Python (Django)
PHP
Javascript (ReactJS, NodeJS, VueJS)
